**DOG GROOMER****1 GROOMER HAS IT**

184 Route 9 North, Englishtown, 732-528-0490, groomerhasit.com  
Pet parents looking to pamper their furbabies with a full spa/season treatment will find the luxury service they desire at this Monmouth grooming facility. Owner Donna Schone has five dogs at home and understands first-hand the importance of keeping them comfortable and happy during a grooming session. In addition to standard grooming services, canines can be treated to add-on treatments, like a "blueberry facial" which includes a massage, tear-stain removal and a conditioning treatment, or even a manicure and non-toxic dye job (who doesn't love a pink poodle?). While not being tended to, canine clients can roam around the safe confines of a playroom, with or without other dogs—no caged animals here.

**KITCHEN REMODELER****1 KITCHEN KRAFTER**

3421 Sunset Ave., Ocean, 732-695-6111, kitchenkrafter.com  
Giving your kitchen a face-lift can be overwhelming. Fortunately Lisa Eber (daughter of a kitchen cabinet manufacturer) has more than 15 years of experience dealing with the intricacies of kitchen and bathroom design, combining elegance and functionality in her creations. At the recently expanded Ocean showroom, Eber and her expert team are on hand to make the process as easy—and fun—as possible. Specialized designs, such as a kosher kitchen or a handicap-accessible kitchen, are offered as well. And no project is too large or too small.
